DuBois Brightens the Night

The City of DuBois celebrates Brighten the Night on Friday, November 22nd from 6:00 to 7:30 PM at the DuBois City Park. Sponsored by First Commonwealth Bank and hosted by the DuBois Downtown Revitalization Group, Brighten the Night is the highlight of the holiday season. While each child entering the park will receive a jingle bell, one lucky child will receive a stamped bell. That said, make sure that the children check their bells closely because the child with the stamped bell will have the honor of lighting the tree!

Kreative Kreations will offer a crafts activity for the children, while Joelle Watt will take and deliver a photo with Santa in exchange for a non-perishable food item. The Revitalization Group will provide hot dogs, chips and pretzels, while Community First Bank will offer coffee and hot chocolate – all at no cost to you. What’s the best part of all?

Well, the arrival of Santa, of course! Be sure to be there by 6:15 so that you don’t miss the Jolly Old Elf himself. He’ll likely be spotted at around 6:30. This event doesn’t end here, though. After the tree lighting and Santa’s arrival, all are invited to Stew’s Brew to participate in Letters Across the Miles. You’ll get the chance to cheer members of the military serving abroad via video chat, and to learn more about how you can help our service personnel during the holiday season. For more information, contact the Downtown DuBois Revitalization Group at 814-371-3064.

He’s Here, He’s There, He’s Everywhere...He’s Santa!

After his arrival at Brighten the Night, Santa will return to the North Pole for a bit of rest before coming back to DuBois, where he’ll arrive at the Mall on Saturday, November 23rd at 12:00 PM. The Oklahoma Fire Department will drive Santa around the Mall in its best and brightest fire truck before he disembarks at the front door by S&T Bank. The DuBois Middle School band will meet him there, playing cheerful tunes as it escorts him to his display – located this year by Bavarian Pretzel and Allstate. Children can visit with Santa until 4:00 PM that day. Santa’s other visiting days/hours can be found at the Mall or at: www.duboismallpa.com.

Shop ‘Til You Drop

This year, Black Friday in DuBois will offer shoppers 21 straight hours of non-stop shopping. The DuBois Mall will open its doors at 12:00 AM on Friday, November 29th, and will remain open through 9:00 PM that night. Most stores in the Mall promise deep discounts on sought after items. This is a born-to-shop shopper’s dream come true so get there early for the best deals ever. For more information, visit www.duboismallpa.com or visit the Mall’s Facebook page at: <http://www.facebook.com/#!/pages/Dubois-Mall/163116850373036>.

Mommy and Me Teddy Bear Tea

DuBois Country Club invites you to attend its Mommy and Me Teddy Bear Tea on December 1st from 1:00 to 3:00 PM. Dress yourself, the children and their favorite teddy bears in afternoon tea finery and enjoy an afternoon of cookie decorating, karaoke for kids and other Tea Delights. The cost for this event – recommended for adults and children kindergarten through sixth grade -- is \$12.95 per person. Professional photos will also be available for purchase. Please call 814-371-7540 for reservations.

The Fair at the Foundry

The Foundry in Reynoldsville will host its 13th annual Vendor and Craft Fair on December 1st from 12:00 to 5:00 PM. More than 40 tables offering everything from baked goods to beauty products to jewelry to hand-made scarves will be set up for your holiday shopping spree. Homemade hard tack candies and unique handcrafted items will also be available. Refreshments including hot chocolate, cappuccino, cookies and other coffee drinks will be served at no charge. For more information, please contact Sarah Caltagerone at 814-653-2522. We'll see you there!

Breakfast with Santa!

What could be better than sharing a wholesome breakfast with your little ones and watching their eyes light up as they meet Santa and Mrs. Claus? The Penn State DuBois Student Government will host its 19th annual Breakfast with Santa on Saturday, December 7th. The event typically draws 350 – 400 people across four seating times: 8:00 AM, 8:45 AM, 9:30 AM and 10:15 AM. Children will enjoy playing games as they wait in line to meet the Clauses, who will deliver a small gift into each little hand. The cost is \$4.00 per person with all proceeds going to the Make-A-Wish Foundation. For more information, please visit: www.dubois.psu.edu/breakfastwithsanta. Tickets may be purchased online or at the door.

Victorian Elegance, Holiday Style

Brookville is one of the most charming small towns in the State of Pennsylvania. On Saturday, December 6th from 5:30 to 9:30 PM, this enchanting village opens its beautifully decorated Victorian homes to the public. Come revel in holidays gone by as this guided walking tour takes you on a journey to a more genteel time. Tickets are \$20 each and can be purchased at the Jefferson County Historical Society, 172-176 Main Street, Brookville, by calling 814-849-0077 or by emailing jchc@windstream.net. HOW WE DO IT

To be able to reach all of our customers, you need to reach out through all aspects of communication. By combining all three aspects; marketing strategy, promotion, and data, [what we call the **Magnus Pyramid**] we're able to provide you with the most accurate and effective marketing.

Having a Facebook page for your business is a good start and it can easily be very engaging, if it's developed properly. Here at **Magnus** we have Facebook page management experience. We know what will get people "liking" your page and "sharing" your content. If you add a website into the mix think of all of the information you can share with your customer. The Facebook page can only give customers so much information. Does your business or organization get a significant amount of phone calls with common questions about your business? A website from **Magnus** can eliminate that. By taking back the time that you spend answering those phone calls you're able to invest that time where you truly need to - into your business. In essence, the website pays for itself.

In today's market, you have to reach the customer where they are actually looking. Email Marketing is huge and is very much worth the investment. Remember that loyalty card program we were talking about before? You could utilize Email Marketing to reach out to your current customers to let them know about that program, or about any specials or changes that are going on at your business. When you get customers visiting your store, whether it be virtually or physically, you can easily ask them for their email address. By building up that address list your able to notify your customers about what your business can do for them. Let **Magnus Marketing** get you set up to start your very own Email Marketing campaigns.

Only having one part of the **Magnus Pyramid** is a good start but you're missing the major pieces of the puzzle that will lead your business to success. Don't sell your business short. Get your business the marketing team it deserves - us!

The Salvation Army

Changing the Life of an Underprivileged Child...For the Better

The Salvation Army has once again aligned with area Churches to provide Christmas presents for children in need. This year's Christmas Tree Tag program launches in early November. Want to help? Here's how it works: Each Church displays a Christmas Tree with tags tied to its branches. Each tag has a child's name, gender and desired gifts written on the back. Those who wish to gift an underprivileged child (or children) with gifts to put under their at-home trees go into the church and choose a tag from the tree. You then purchase the gifts and return them to the church for distribution by volunteers. You need not be a member of the Church or of any congregation to participate. Simply contact the local Church of your choice and ask about the program. Just think -- when these children see the gifts under their very own trees, they'll know that there really is a Santa. That Santa can be you. For more information about how you can help, please call the Salvation Army, DuBois at: 814-371-5320.

Established in 1986 by Bob and Martha Steele, The Gourmet Kitchen, located at the DuBois Mall, thrived for 24 years. When the store was bought by former employees Beth Taylor and Christa Peterson in July 2009, it didn't miss a beat and continues to thrive to this day. But what is The Gourmet Kitchen? Unique to the DuBois area, The Gourmet Kitchen offers an eclectic mix of top-of-the-line gourmet foods including a wide variety of fudge, dips and spreads. The shop also sells gourmet coffees, teas and hot chocolates not typically found here. As well, the store offers specialty kitchen gadgets and small appliances for the gourmet chef in you. Seasonal and non-seasonal home décor items -- everything from curtains to candles -- are available, too. Stop in, browse and treat yourself to a piece of mouthwatering fudge and a cappuccino. We'll keep you warm for the Winter! Like us on Facebook and check back often for details about future events.

THE WINERY AT WILCOX

Nestled in the mountains of the Allegheny National Forest, the Winery at Wilcox is a must visit destination for those who enjoy top quality wines. In the summer of 1994, Mike and Carol Williams opened the doors to The Winery at Wilcox. The original inventory of eight varieties has since grown to more than 30, while The Winery at Wilcox itself has grown tremendously (it's now one of the largest wineries in Pennsylvania). Whether you long for a robust cabernet or find yourself desirous of a fruity concord, Winery at Wilcox has something for everyone. We don't stop at offering tastings and selling fine wines however; just as we have for years, we also host fun events including Winee-Women nights, Tastefully Tuesdays and others that ensure the fun never ends. Stop by any one of our locations -- the Winery at Wilcox, the Wine Shop at the DuBois Mall, the Wine Shop at the Nittany Mall, or the Wine Shop at Settler's Ridge -- for an events list and a tasting of our world class wines. Like us on Facebook so that you don't miss a thing!

Behind the Buzz.....

I'm sure you've heard the BzZz around the hottest weight loss supplement to hit the area. So, who's responsible for the madness?? Let us introduce you to – **Toni Sweeney**.

Toni Sweeney is the owner of BeeXtreme, LLC, one of two local Zi Xiu Tang Bee Pollen and New You Weight Loss Supplements Distributors. She grew up right here in Jefferson/Clearfield County, graduated from DuBois High School in 2000 and attended Clarion University for Marketing and Communications. While attending Clarion, Toni worked as a care nurse for DuBois Nursing Home. After graduating college she quickly realized that she missed caring for the elderly, so she left her sales job at The Talking Phone Book and returned to DuBois Nursing Home. She later returned to nursing school and graduated in 2010 with a Practical Nursing degree. Today, Toni is a licensed Practical Nurse. Says Toni, "I love helping people and nursing was where I needed to be."

Toni has always taken an interest in healthy living and staying fit. She wasn't one to be "overweight" though, until the birth of her first child. Explains Toni, "At my six week check-up the doctor gave me the OK to start working out again; I couldn't wait to get started. I started doing my normal routine with Turbo Jam and my elliptical, expecting to see awesome results after one week. To my surprise however, I had gained two pounds. It was very frustrating! I was 40 pounds over my pre-pregnancy weight and nothing I was doing was helping me to lose those pounds. I was thinking about what to do when I ran into a lifetime friend of mine. I had to do a double take when I first saw her. She had lost about 50 pounds since the last time I'd seen her (which wasn't long- maybe three or four months prior) and she looked terrific! She let me in on her secret -- Zi Xiu Tang Bee Pollen -- and here we are today! I couldn't be happier with the results I have personally experienced (I lost 38.7 pounds in a short three months) and with the amazing results that my customers have experienced!"

It's good to know that Toni is not just another Authentic Bee Pollen Capsule salesperson. Rather, Toni realizes that diet pills are not intended for everyone and she has no problem telling you that straight up. As a nurse she feels that it's her duty and her obligation to ensure that people focus on improving their health overall. Says Toni, "Some people need a boost to get moving. Not everyone has the motivation to get up and exercise for two hours before going to work. If these pills help people achieve their health goals, I'm all for it and will help them every step of the way." Continues Toni, "I currently have four Doctors referring patients to BeeXtreme for that very reason – they know that I work one-on-one with my customers and that I love being able to do that! It's not one sided, though. I not only help my customers, they help me, too. I have learned so much from my customers, whether it be a good recipe, an exercise tip or learning about a very rare thyroid disease from one customer who has struggled to lose and keep weight off for years. Together, we are making that happen."

Toni wants customers and prospective customers to know that when people ask if Bee Pollen can be taken with a particular medication, she always refers them to their doctors. Not every person is the same, not every person takes the same medications for high blood pressure and not everyone should take a diet pill. Diet pills can be scary sometimes, says Toni. Although Zi Xiu Tang Bee Pollen and New You are made with all natural herbs, they aren't intended for everyone. Furthermore, adds Toni "No matter the diet, hydration is very important. Dehydration can be the dieter's number-one enemy," she says, "health risks including high blood pressure, racing heart, fatigue, dizziness and others can occur." Toni truly feels that it's her job to educate people and that dieters need to know how dieting can effect the human body. Bottom line? If it's one-on-one attention a customer is seeking, BeeXtreme is the place you need to be.
