

Sustainable Income

Barber prides themselves on offering competitive rates for drivers to make a sustainable income so they can provide for their families. We don't offer misleading sign on bonuses or only pay for miles on loaded freight like our competitors.

Valuing Family and Home Time

Barber specializes in deliveries in the Mid-Atlantic, North Carolina and Ohio-Indiana regions that makes Home Time and Weekends possible. However, there are national deliveries all over the U.S., which provides more earning opportunities for any driver wanting those trips.

Immediate Impact

Barber offers benefits that are thoughtful of drivers and their families with Home on Weekends and Weekly Direct Deposit Pay. Those benefits and many others, make Barber Trucking a company THAT YOU can count on to make an immediate positive financial impact for you and your family.
