

Your One Stop Auto Shop!

Now at Priority First Federal Credit Union

Priority First FCU is committed to providing our members with the best services and products. We at Priority First realize that buying a new or pre-owned vehicle can be a big hassle and quite stressful. To make your next auto purchase more convenient, we have teamed up with **Keystone Lending Alliance Corporation (KLA)**. KLA is a credit union-owned company that makes it possible for you to complete your credit union auto loan at your point of purchase – the dealership.

Your “One Stop Shopping” begins with getting pre-approved with one of our friendly credit union loan officers or when you’re applying for the vehicle loan at the dealership. When you find your new or used vehicle, you can now complete your credit union auto loan paperwork at the dealership! Just present your pre-approval to the finance manager at the dealership and your credit union auto loan can be completed there – it’s that simple.

For more information and for a complete list of local auto dealers in the KLA program, log on to www.priorityfirstfcu.org/KLA or reach out to us and we’ll be happy to answer any questions you may have about this great new program!

We Can Help You Pay for College

Few decisions rival the importance of choosing a college. For each school you consider, it seems there are a thousand questions: Does it excel in my course of study? How will I afford tuition? Fortunately, Priority First FCU offers the Student Choice loan program that you and your parents can use to foot the college bill.

Compare these Priority First FCU loan offerings to see which ones best suit your needs:

The Credit Union Student Choice Loan

The Credit Union Student Choice Loan is a way to fill the financial gap that scholarships, grants, and other federal aid doesn’t cover. You’ll get significant cost-savings by choosing your Credit Union’s student loan over other lenders.

- No origination fees
- Lower interest rates
- Line of credit up to \$75,000
- Apply only once
- Deferment of principal and interest while in school
- Flexible repayment terms including graduated repayment for two years

Home Equity Loans

Home equity loans offer parents interest rates comparable to the PLUS Loan but with tax advantages. Home equity loans usually are 100% tax-deductible (confirm with your tax adviser).

Home Equity Line of Credit (HELOC)

Our Home Equity Line of Credit (HELOC) is a perfect additional source of help to cover those last few expenses and extra cash needed for the upcoming year for school. With a Home Equity Line of Credit, it’s as simple as writing a check or calling us to request an advance to you or your son or daughter.

Priority First FCU is committed to filling the needs of all our student members. Our loan officers are available to answer your student loan questions. Student loans are a good investment for the credit union—and a good investment in the future of our members.
