

GET YOUR GAME ON!

The new Miracle Field Softball Complex will open March 2018.

Showers Field will be 100% turf starting this March allowing for a pristine playing surface.

Located conveniently off of Interstate-80, the City of DuBois in Pennsylvania is the new premiere location of the Northeast for hosting baseball and softball events. DuBois, Pennsylvania offers visitors a plethora of lodging (there over 1,600 rooms available in Clearfield County), a mix of chain and local restaurants, and recreation on land and lake.

Both facilities accommodate events for high school, college and amateur levels of play, but even some major championships already picked DuBois to be their home. This past spring, the United States Collegiate Athletic Association (USCAA) announced the 2018 and 2019 baseball and softball small college national championships will be held in DuBois.
